for advice on how to **request a (re)print** of your Digital Certificate from Stellenbosch University*

***Re-prints** are at your own cost and arranged via Stellenbosch University directly; SBS-ED is not liable to arrange or coordinate (re)prints.

All certificates requested retrospectively will incur a charge of R300 payable by the student direct to Innovus. This applies to short courses where the student delayed completion or delayed payment. 2022 short course certificates can still be requested at the standard rate in 2023. All short courses prior to 2022 are considered retrospective. In 2024, 2022 short courses will be considered retrospective.
